THE ASSOCIATION OF PROFESSIONAL FUTURISTS is a global community of professional futurists committed to leadership and excellence in the futures field. Our members provide unique perspectives to help people anticipate and influence the future.
Today’s Foresight Professionals

OUR MEMBERS GO BY MANY TITLES...
Professional futurists, change strategists, technological futurists, design futures professionals, foresight practitioners, chief ideation officers. We share methods: scenarios, complexity, emerging futures, environmental scanning, alternative futures, and visioning to name a few. Together we hone our skills and knowledge to help our clients navigate uncertain futures.
APF Exists for Its Members

• To advance their professional excellence
• To facilitate their network and community
• To help them promote their unique value
